Important Note: This report reflects claims paid and mailed as of the end of each month. It does not include claims incurred and not yet processed or paid. There are also ongoing adjustments to an employer's benefit account such as corrected claim checks, checks not cashed and claims processed but not yet released due to Simple waiting on the funding of the claims account by the employer. Also, adjustments or corrections to employee enrollments will affect the actual outcomes. Finally, an employer may have deposited more or less to the claims bank account than shown in the budgeted claims column.
